SKILLS:

EXPERTISE:

- Live Event Filming
- VT/Film Editing
- RAW Image Editing
- PPT/Keynote Builds
- Audio Recording
- Social Media
- Photography

PROFILE:

A media producer based out of Bedworth, England holding a BA in Media Production with Honours and experience as a Video Editor, Camera Operator and Multimedia Designer.

A creator in both short and feature form as well as VR/360 formats. Certain projects have been nominated for awards around the world with some touring festival circuits. Highly skilled Video Editor certified in the Adobe Suite including Photoshop, Premiere and After Effects. Additional skills in working with DaVinci Resolve and Final Cut Pro in colour grading and data wrangling. Experienced camera operator with time spent working with a range of cameras and other broadcast equipment.

A creative thinker with the ability to take projects from initial brief to completion, working with clients to achieve their goals and surpass expectations. Recent work ranges from filming conferences and awards through to building keynote presentations and opening VT's for events.

Passionate about creating exciting and thought provoking content that helps to get messages across and create a lasting impression.

WORK EXPERIENCE:

- 2017 October – present Multimedia Designer at Lemonzest Events.
